Pitching Clinic Instructor: Cayt Edge

Cayt Edge has been playing fastpitch in Calgary all her life, including playing 5 years with the University of Calgary Dinos. As a starting pitcher, Cayt was awarded the WCSA All-star Pitcher of Year Award three times from 2011-2016. She was named Captain of the Dinos for two years and reached a Silver Medal at Nationals in 2011 and pitched the winning final for the 2014 WCSA Championships. Since retiring her cleats, Cayt has focused her passion for the game on coaching. Beginning with small clinics and programs across the city, Cayt co-founded the Absolute Softball Academy in 2016 and continues to run Skills and Pitching camps with numerous associations across Calgary, Okotoks, Cochrane, and Airdrie. In 2019, Cayt signed on with Smash-It-Sports Canada and Easton and has started a small following under the title of EDGE Fastpitch.
